KRF 2: Demonstrate understanding of spoken words, syllables, and sounds (phonemes).

RF 1.3

Standard: Know and apply grade-level phonics and word analysis skills in decoding words **both in isolation and in text.**

- a. Know the spelling-sound correspondences for common consonant digraphs.
- b. Decode regularly spelled one-syllable words.
- c. Know final –e and common vowel team conventions for representing long vowel sounds.
- d. Use knowledge that every syllable must have a vowel sound to determine the number of syllables in a printed word.
- e. Decode two-syllable words following basic patterns by breaking the words into syllables.
- f. Read words with inflectional endings.
- g. Recognize and read grade-appropriate irregularly spelled words.

I Can: recognize grade-level phonics and word analysis skills in decoding words (decode words using phonics and word analysis skills).

recognize common consonant digraphs.

name the sound produced by the consonant digraphs.

decode regularly spelled one syllable words.

name the rules for final e and vowel teams that form long vowel sounds.

recognize that words have syllables.

identify that each syllable contains a vowel.

identify the number of syllables in printed words.

determine the syllable parts of a two syllable word.

find basic patterns to break words into syllables.

read two syllable words by using decoding and/or syllabication skills.

recognize words with inflectional endings (added endings such as ed, ing).

recognize grade appropriate irregularly spelled words.

apply grade level phonics and word analysis skills in decoding words.

distinguish between words with spelling patterns and irregularly spelled words.

distinguish between inflectional endings and words that may contain those same letters as.

common inflectional endings (for ex. bed, and ended).
